### EXPRESSION OF INTEREST

### TOURIST MANAGEMENT SYSTEM

Every year approximately 7 Lakh tourists visit Uttarakhand for Char Dham yatra.

Tourists from all over India as well as from abroad visit Uttarakhand .

Dissemination of tourist related information ,timely medical aid, registration of personal information of tourists, Immediate response system in case of emergency and traffic control system will go long way in making visit of tourists memorable and safe.

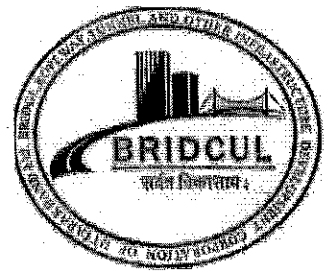

Govt of Uttarakhand intends to implement the Tourist Management System ( based on RFID/ Cloud Based Technology / Biometrics / GPS or any other effective system) so that monitoring of the tourists as well as vehicle can be done.

Interested firms/individuals can forward their detailed techno –commercial proposals, based on latest technology in the attached format by **18 Jan 2018**.

Any clarification can be sought by contacting this HQ on any working day between 10 AM to 5 PM or through email at [bridcul@gmail.com](mailto:bridcul@gmail.com) or on phone
