On Submission of Concept Planning and Master Plan by the Client /Govt. Deptt.	15% (Fifteen percent) of the payable fee as above.	2	On Submission of Drawings and Design.	15% (Fifteen percent) of the payable fee as above.	3	On submission of DPR copy and walk through model.	10% (Ten percent) of the payable fee as above.	4	On Submission of documents by statutory bodies.	15% (Fifteen percent) of the payable fee as above.	5	On Submission of DPR by the client/ Govt. Dept. And BRIDCUI..	15% (Fifteen percent) of the payable fee as above.	6	On submission of Detailed Design Report including Proof checked Detailed Structural Drawings	20% (Twenty percent) of the payable fee as above.	7	On submission of Detailed Working Drawings for all stages of construction	10% (Ten percent) of the payable fee as above.	No change.
		1.	On Submission of Concept Planning and Master Plan by the Client /Govt. Deptt.	15% (Fifteen percent) of the payable fee as above.																					
		2	On Submission of Drawings and Design.	15% (Fifteen percent) of the payable fee as above.																					
		3	On submission of DPR copy and walk through model.	10% (Ten percent) of the payable fee as above.																					
		4	On Submission of documents by statutory bodies.	15% (Fifteen percent) of the payable fee as above.																					
		5	On Submission of DPR by the client/ Govt. Dept. And BRIDCUI..	15% (Fifteen percent) of the payable fee as above.																					
		6	On submission of Detailed Design Report including Proof checked Detailed Structural Drawings	20% (Twenty percent) of the payable fee as above.																					
		7	On submission of Detailed Working Drawings for all stages of construction	10% (Ten percent) of the payable fee as above.																					
		3	We request the authority to kindly accept these forms certified by Chartered Accountant since obtaining certificate from Statutory Auditor is a time consuming process.	Accepted. But certificate from statutory auditor is required at the time of signing the agreement.																					
		4	Obtaining solvency certificate from bank is a time consuming process and involves a lot of formalities. Also the requirement of INR 100 Crores is very high and would restrict competition. Accordingly we request the authority to kindly accept Net Worth certificate from Chartered Accountant for INR 5 Crores.	Accepted.																					
5	We request the authority to kindly allow this form to be certified by Authorized Signatory of the bidder, since Statutory Auditor can only certify Turnover / Financial Information and cannot certify Scope of Work, Project Cost, Project Completion, etc.	Accepted.																							
6	We request the authority to kindly extend the bid due date by at least 4 weeks.	No change																							
2	RONMAS (INDIA) PVT. LTD.	7	The Tender is for DPR but the scope includes complete design of the project which is normally not required of DPR stage: rather it is required to be done by project proponent.	DPR include the complete design. Hence No Change																					
		8	Further the scope of the tender also includes the job of Independent Engineer/Project Management, which is beyond DPR stage and is required after the job is awarded to the project proponent.	the project requires involvement of the consultant even during construction stages of which are mentioned in the RFP.																					
		9	Although the scope includes design and Project Management, the eligibility criteria does not include design and/or Project Management experience for the bidder.	No change.																					
		10	Availability of Key Personnel includes,mostly, fulfilling design requirement. It does not address DPR preparation (which need market study and commercial expertise) and project monitoring expertise.	No change.																					
		11	Similarly, the Evaluation is mostly based on design expertise and not DPR preparation and Project Management.	No change.
